

Delta Construction at Hoakalei

Delta Construction is laying the sewer system with 8 and 18 inch lines for the new Hoakalei Marina Resort in Ewa Beach. Pacific Pump and Power has been assisting Delta with a range of pump rentals. The pumps range from a 4" CD103M Critically Silenced Godwin Dri-Prime Diesel Pumps with the capacity of 1000 gpm to a 12" DPC300 Critically Silenced Godwin Dri-Prime Diesel Pump with the capacity of 5000 gpm!

The pumps are being used to dewater the trenches where Delta is working so they can efficiently put in the lines. Pacific Pump and Power is providing Delta pumps to use for this project as well as servicing and supplying parts for Delta's own Godwin Pumps!
