

Goodfellow Bros, Inc. is Bypassing the Wailuku, Kahului WWTP!

The Wailuku, Kahului Wastewater Treatment Plant is being refurbished by Goodfellow Bros., Inc. with the help of Honolulu Industrial Coatings Company, Inc. (HICCI). They are bypassing the plant's clarifiers using three of Pacific Pump and Power's 8" CD225M Critically Silenced Diesel Dri-Prime Godwin pumps. These pumps are capable of pumping up to 4.3 million gallons per day, per pump!

For this project, HICCI is renting hoses, piping and fittings from Pacific Pump and Power's Oahu and Maui yards to complete their pump set-up.
