## Happy Holidays!

Another spin around the sun and hopefully, I am not the only one looking at the past year feeling like it was a great lap! The equipment rental side of our business has been very strong with lots of additions to the fleet this year in pumps, compressors, generators and Fusion equipment. The mechanic and operations side of things have been building up. We currently have the largest team we have ever had and with more staff, has come the best skill set of personnel to date!

Pacific Pump & Power appreciates your business. From our Ohana to yours, Merry Christmas and Happy Holidays!

If you need assistance with HDPE or PVC pipe fusion, dewatering, generators, compressed air, dredging, pumps, pipe plugs, service or operations, please call us at 808-672-8198 or email us at [Sales@hawaiiipumps.com](mailto:Sales@hawaiiipumps.com)
