## Joint Testers

When you think of Pacific Pump & Power you probably do not think of testing joints. We would like you to know that it is something we have a pretty good range of capabilities in! We currently have 36", 42", 48", 60", 66", 72", 78", 84" and 104" Lansas pneumatic joint testers in our fleet. This combined with a huge fleet of inflatable pipe plugs both for rent and new for sale, we have the equipment you need for most of your pipe testing require-ments.

If you need assistance with Joint testing, HDPE or PVC pipe fusion, dewatering, generators, compressed air, dredging, pumps, pipe plugs, service or operations, please call us at 808-672-8198 or email us at [Sales@hawaiiipumps.com](mailto:Sales@hawaiiipumps.com).
