## Pacific Pump & Power is a Licensed Contractor!

Pacific Pump & Power (PPP) has recently been awarded a C-43 Sewer/Pipe Laying Contractor License. This enables PPP to act as your prime contractor for turnkey bypasses. Over the last two years we have already been providing pumping system planning and operations to our best Clients, so the change is that we can now take on more responsibility for what we do.

Our license number is # C-32223.

If you are interested in assistance with any or your fluid transfer needs, Pacific Pump & Power has the established safe work procedures, appropriate equipment, and experienced, well trained personnel to complete your project. We can also help with pumping system design, servicing, repairs, bypass operations, dredging, and well point dewatering. We provide HDPE pipe rental, fusion services, inflatable pipe plugs, and pipe testing equipment.

*"We are here to be the best and easiest solution for fluid pumping and power generating needs for our clients on the Hawaiian Islands and Guam."*

*Call today at 672-8198 or visit us at Campbell Industrial: 91-503 Nukuawa Street, Kapolei*
