Bypassing the Sewers!

Watts Construction had numerous live sewer ties to get done to finish a project they are working on and they brought in Pacific Pump & Power to take care of the sewer flows so that they could work in sewage free conditions.

This project required bypassing 7 sewer manholes, two road crossings, about a mile of temporary steel galvanized Bauer piping and 24/7 bypass monitoring. The experienced staff at Pacific Pump & Power set the whole project up in just three and a half days and they bypass when off without so much as a hiccup!

If there is anything we can do to help you on your project, big or small, do not hesitate to call 808-672-8198 **anytime** or email us at Sales@HawaiiPumps.com

Call today at 672-8198 or visit us at Campbell Industrial: 91-503 Nukuawa Street, Kapolei
