## Air Operated Double Disk Diaphragm Pumps in Hawaii!

Pacific Pump & Power has been selling, renting and servicing air operated double disk (AODD) diaphragm pumps since we opened our doors, but now we have officially become a Versa-Matic distributor in the Hawaiian Islands.

This means that PPP will now stock more parts and a range of new pumps in our Campbell Industrial yard! Not only can we service your Versa-Matic pumps but we also have access to parts for other brands including Wilden, ARO, Yamada, Sandpiper, Warren Rupp, and GARLOCK.

If you are curious about how an Air Operated Double Disk diaphragm pump works, see this link: [http://idex.cachefly.net/WRM/VM\\_How\\_AODD\\_Pumps\\_Work.mp4](http://idex.cachefly.net/WRM/VM_How_AODD_Pumps_Work.mp4)

If there is anything we can do to help you with your equipment, big or small, do not hesitate to call 808-672-8198 **anytime** or email us at [Sales@HawaiiPumps.com](mailto:Sales@HawaiiPumps.com)

Call today at 672-8198 or visit us at Campbell Industrial: 91-503 Nukuawa Street, Kapolei
