Sewer Bypass in Maui

Do you have a project coming up on the neighbor islands? Pacific Pump & Power services all of Hawaii and Guam! We have yards on Maui and Hawai'i. In our Maui yard, we stock Godwin Dri-Prime pumps, hoses, piping, and fittings so we can handle most pump projects, including sewer bypasses. If we do not have enough equipment on island, we can bring it over from our Oahu yard.

This past week, we worked with a Maui contractor to bypass a 24" sewer line in Kahului. This sewer had potential flows of up to 4000 gallons per minute or 5.76 million gallons per day! To accommodate these flows, we had to ship in three 8" CD225M Critically Silenced Godwin Dri-Prime Pumps and a 12" Bauer QD pipeline from our Oahu yard. To ensure the client had no issues with the bypassing, they hired PPP's operations manager to assist them with the setup, testing, and bypassing for the week. In the end, it was a very successful bypass!

If there is anything we can do to help you with your equipment, big or small, do not hesitate to call 808-672-8198 **anytime** or email us at Sales@HawaiiPumps.com.

Call today at 672-8198 or visit us at Campbell Industrial: 91-503 Nukuawa Street, Kapolei
