## Bypass Season Is Upon Us!

Seems like it is the season to pump! Pacific Pump & Power has pumps running all over the state. We have active bypasses currently running on both sides of Maui, multiple bypasses all over Oahu and even pumps moving water on Kaua'i! Its times like this that we are very happy to have a fleet of well over 100 pumps, 10,000's of feet of hoses and piping and thousands of fittings. On some of the projects we have our skilled pump watch on site 24/7. On other sites we have Auto-Dialers ready to call when the backup pump turns on so that personnel can be dispatched to deal with the primary pump and get everything back to 100%.

Our clients know that we have pumps. Did you also know that we do light towers, compressors, generators and fusion equipment? We do! Just like we do on our pumps, we charge mainland list pricing so let us know next time you need something and we can help.

If you are interested in or need assistance with pumps, power, compressed air, fusion, pipe plugs, service or operations, please call us at 808-672-8198 or email [Sales@PacificPumpandPower.com](mailto:Sales@PacificPumpandPower.com)

Check us out on the web at [www.PacificPumpandPower.com](http://www.PacificPumpandPower.com)

Call today at 672-8198 or visit us at Campbell Industrial: 91-503 Nukuawa Street, Kapolei
