Bypassing Sewer in Kaneohe

Pacific Pump & Power set up another sewer bypass last month over in Kaneohe. This job bypassed sewer flows so that a contractor could redo a couple of sewer manholes.

With the expertise of Pacific Pump & Power's crew as well as the right equipment for the job, the bypass went smoothly and was a success.

If you are interested in, or need assistance with sewer bypassing, compressed air, pumps, power, fusion, pipe plugs, service or operations, please call us at 808-672-8198 or email Sales@PacificPumpandPower.com
