## Moving Poo in Maui!

Pacific Pump & Power has been very busy this year doing dewatering, lots of HDPE pipe fusion, a huge increase in our air compressor sales and rentals and lots of sewer bypassing!

These photos are from a turn key bypass that we had over in Kihei bypassing some big flows for a few days to allow for a sewer tie in. This project used a couple of 8" CD225M Critically Silenced pumps, road ramps and about 500' of Bauer Quick Disconnect piping for a quick set up and a quick tear down!

If you need assistance with sewer bypasses, compressed air, pumps, power, fusion, pipe plugs, service or operations, please call us at 808-672-8198 or email [Sales@PacificPumpandPower.com](mailto:Sales@PacificPumpandPower.com)
