

The Pacific Pipeline

November 2020 Newsletter

Thank You!

2020 has been a crazy year for everyone for a lot of reasons. As we come into the holiday season, I sit here writing this newsletter feeling thankful for the fortune we have had this year and wanted to express our gratitude to you, our clients and suppliers, for keeping the lights on.

We certainly are not going to be setting any records in 2020 but in an island chain where a lot of businesses are struggling, we have been keeping our heads above water and helping our clients solve as many problems as possible.

If you need assistance with sewer bypasses, compressed air, pumps, power, HDPE fusion, pipe plugs, service or operations, please call us at 808-672-8198 or email us at Sales@hawaiiipumps.com
