PACIFIC PUMP & POWER

Expanding Neighbor Islands!

2020 is the year of neighbor island expansion for Pacific Pump & Power!

This year we set up a yard in Lihue on the island of Kauai. As of right now, we are stocking three 6" open trailer mounted pumps along with a bunch of hoses and spare parts.

In Maui we did some upgrades to our Kihei yard and are currently stocking one 6" open trailer mounted pump with some hoses and fittings and two 8" critically silenced trailer mounted pumps with hoses and fittings. We have also purchased a new yard in Wailuku - in The Mill Yard - which will eventually be the home of our Maui shop/office and full time Maui based team!

If you need assistance with sewer bypasses, compressed air, pumps, power, HDPE fusion, pipe plugs, service or operations, please call us at 808-672-8198 or email us at Sales@hawaiiumps.com
