**PACIFIC PUMP & POWER**

## Google Maps Official!

At the beginning of 2020, Pacific Pump & Power expanded its physical presence in Maui and Kaua'i with additional yards! With the current climate of the world, it has taken longer than anticipated to become "Google Maps Official". When I was in Maui yesterday transferring equipment to our Wailuku yard, I went to Google Maps for the fastest route and sure enough, there were four PPP locations to choose from!

We are now stocking some pumps in Kaua'i and Maui as well as hoses, piping and accessories. Both yards are limited right now but will grow in inventory as more work prevails. Please email us and let us know what equipment you would like us to stock!

If you need assistance with sewer bypasses, compressed air, pumps, power, HDPE fusion, pipe plugs, service or operations, please call us at 808-672-8198 or email us at [Sales@hawaiiipumps.com](mailto:Sales@hawaiiipumps.com)
