Rental Piping

You probably already know that Pacific Pump & Power has the largest fleet of Pumps in Hawaii with equipment in Oahu, Maui and Kauai. Did you know we also have more rental pipe than anyone else!

Pacific Pump & Power's rental fleet includes tens of thousands of feet of HDPE! We have 3", 4", 5", 6", 8", 10", 12", 14", 16", 18", 20" and 24" HDPE for rent! In some of those sizes our supply is minimal. In others, such as 8" and 12", we have miles!

We also have thousands of feet of 4", 6", 8" and 12" steel galvanized Bauer pipe, tens of thousands of feet of hose, and a huge inventory of bends, adapters and fittings. When it comes to fittings we have a huge inventory of new items for sale in addition to our rental fleet.
